Weekly Faith Formation Update
April 19- 23, 2021

In honor of Earth Day, think about the beauty of God’s Creation.

**Ants on a Stick | Crayola**

**Supplies Needed:** Model Magic Clay, Glitter Glue, Marker, Craft Stick

**Instructions:** Roll 3 pieces of clay into balls about 1 inch in diameter. Form 1 ball around the end of the craft stick. Press the remaining balls on either side of first ball to make ant body. Create legs, antennae, and eyes. Press to attach and let dry. Draw pupils and mouth with markers. Add sparkly details with glitter glue. These could be done as flowerpots or stick puppets.

**I Spy Bottles**

**Supplies Needed:** Empty bottle with wide lid, Colored rice (white rice dyed with food coloring)

**Instructions:** As you take a walk around your neighborhood, look for objects made by God like flowers, leaves, acorns, rocks, etc. Put them in the bottle and when you return from your walk shake the bottle up and play, I Spy as you try to locate the objects you put in the bottle.
