

# Weekly Faith Formation Update

## June 5-9, 2021

### Upcycled Plastic Bottle Art

**Supplies:** Permanent Markers, Plastic Bottle, Scissors, Twine

**Directions:**

1. Color upcycled plastic bottle with markers.
2. With the help of an adult, cut bottom off bottle.
3. Starting at bottom opening, cut upwards in a spiral pattern until approximately 1" from neck of bottle.
4. Cut long piece of twine. Wrap around neck of bottle and tie in a knot.
5. Hang on a tree or your porch for a colorful piece of outdoor art!

### Coloring Page Suncatcher

Catchin' those rays! Let the light shine thru this homemade suncatcher made with our Free Coloring Page.

**Supplies:** [Crayola Spring Boots Coloring Page](#), Colored Pencils, Glue, Bowl, Cotton Ball, Pencil, Scissors, Mason Jar Lid, Vegetable Oil, Twine

**Directions:**

1. [Print coloring page from Crayola.com.](#)
2. With pencil, trace outline of mason jar lid.
3. Using colored pencils, color coloring page within traced circle. Cut out circle.
4. Pour small amount of oil into a bowl. Lightly dip cotton ball into oil and dab onto coloring page. Dry 5 minutes.
5. Line inner lid rim with glue and lay in coloring page (face down). Dry 15 minutes.
6. Add dab of glue to top of lid. Wrap twine around lid twice. Dry 1-2 hours.
7. Hang in window and let the light shine through!
