

District Developments

Dear Siblings in Christ,

I greet you in the name of our Chief Elder as we embark on this new year of possibilities! I am writing on behalf of the Eastern District Executive Board in order to make you aware of a district staffing change this year. Perhaps you recall our previous district synod of 2021, which approved a decreased budget for district staff and charged the EDEB with discerning and implementing a plan. This was mainly a result of decreasing district common ministries collections.

Throughout 2022, we found a way to maintain our two full-time staff positions (Director of Christian Education and Director of Youth and Young Adult Ministry). The EDEB made the difficult decision to end the position of Director of Youth and Young Adult Ministry as of December 31, 2022. This decision is *not* a reflection on the importance of this ministry, the importance of the youth and young adults in our district, or the effectiveness of the work of our director. It is simply an acknowledgement that we cannot afford a full-time staff person dedicated to this work at this time.

The EDEB accepts both the burden and privilege of discerning the way forward with regard to ministry with and to youth and

young adults. We have begun making contacts with the leaders in our various regions to gain a deeper understanding of these ministries, and we will explore the most effective ways to equip current and future ministry. Surely this is a time for creativity and openness to the Spirit's leading as we forge a new path. We are blessed with dedicated leaders of all ages who are engaged in vibrant ministries throughout the district.

We are deeply grateful to the Rev. Cynthia Rader Geyer for her years of faithful service in the position of Director of Youth and Young Adult Ministry. Throughout this time, Sister Cynthia has led by example and shared her expertise and gifts. She has challenged our district to be open to the changes necessary for our congregations to be welcoming of people of all ages. She has taught us what it means to share leadership with young people and help them understand their true value as disciples. She created and nurtured connections between youth of varying geography and showed us how to listen to their passion for ministry. She has taught us about models for mission and led youth and adults alike to explore God's call to mission. She has been a resource and friend, walking alongside our congregations and pastors as we live out the ministry to which God calls us.

As of January 1, 2023, Sister Cynthia has accepted a temporary call to district service, where she will be working with the EDEB on a variety of ministries. I ask you to join us in upholding her in prayer, offering your gratitude for her ministry and your support as she and the EDEB explore her next opportunities and possible ministry settings.

As 2023 begins, please know that we are grateful for you and the ministry you carry out within your congregations, agencies, and communities. May God bless our partnership as we experience and share God's love.

Yours in Christ,

Melissa

Reflections on 2022 from
Executive Director Justin Rabbach

The end of one year and the beginning of another is a perfect time to look back in reflection and ahead in anticipation. As the year ended, we lit the Advent candles of Hope, Peace, Joy, and Love, and I gave thanks for the many ways in which those things were reflected in our work.

We shared HOPE through the Moravian Disaster Response (MDR) program. Natural disasters take no breaks, and the La Mosquitia region of Honduras and Nicaragua was once again hit by a hurricane and tropical storm. The BWM has responded to severe flooding of agricultural fields, which destroyed many crops. We are working with our partners to distribute emergency food packs and restore safe drinking water. The BWM is also in the early stages of providing an agronomist to adapt planting and harvest patterns, as well as constructing food storage facilities to prepare for times when crops are impacted by disaster.

We worked to offer PEACE as we responded to the war in Ukraine. Unprecedented donations were received to support refugee families. The BWM was able to support renovations on a hotel in the Czech Republic, which became housing for refugee families. We provided a full year of salary and benefits for five teachers at a Ukrainian school that was forced to relocate due to the violence. Now, families resettling around the world continue to experience the welcoming presence of Moravians offering a safe haven, even as the conflict continues.

We witnessed JOY at the Moravian Resources Conference we held in Panama for all of our Spanish-speaking partners. This inaugural

event brought together Moravians who had never met before, but were deeply connected by the end of the week together. The group discussed history, theology, financial management, and mission planning... all in Spanish! The joy present in the worship services, side conversations, and lasting relationships built will strengthen our worldwide Unity!

Finally, we experienced the LOVE of God in so many settings. In this space I want to highlight the work of our staff. Rt. Rev. Chris Giesler, Rev. Angelica Regalado Cieza, Rex Knowlton, Sue Adams, and Sylvie Hauser from our current staff, with thanks to Rick Nelson, Jill Kolodziej, and Elizabeth Thiele who were also part of our team last year. I can't say enough about the tremendous contributions of these individuals who care deeply about our work and always ensure we are not sidetracked by details or challenges. These folks are *on a mission!*

Imagine the possibilities!
