

**The Northern Province**  
*Moravian Church in America*

## Emerging Ministries Grants

Do you have an idea for a new ministry but need some funding to get it started? Would a small grant allow you to take the next steps on an outreach or worship gathering that might grow into a new faith community? If so, we encourage you to apply for an Emerging Ministries grant to help fan the flame of an idea.

All members of Northern Province congregations, emerging ministries and agencies are invited to apply for a grant, with endorsement of the joint boards, regardless of the congregation's financial status. The total funds available in any given year are \$10,000, with no grant exceeding \$1,000. Grant proposals will be reviewed by the Emerging Ministries Committee. Proposals are reviewed on a rolling basis, and may be submitted at any time throughout the year, with a response time goal of one month after receipt of your proposal. Applications will be received until funds are depleted for a calendar year. Please send them to Barry Frey, Chairperson of the Emerging Ministries Committee, at [becjf51@gmail.com](mailto:becjf51@gmail.com).

Please see the back of this insert for examples of project ideas.

Please see the back of this insert for examples of project ideas.

Successful applicants will demonstrate the following:

- A *new* ministry that will reach *new* people in *new* ways or places (a creative way to engage people who are not already worshipping with you and build new ministry relationships)
- A ministry that will create community and ongoing relationships
- A ministry with the *potential* for beginning a new worshipping group (however that worship may look – be creative!)
- Awareness and endorsement of the congregation’s Joint or Unified Board

Some good examples that allow the love of Christ to flow outward and build relationships:

- Providing a hair stylist or community movie night for guests of a local shelter
- An after-school ministry for kids in your community who are not part of your congregation
- An outdoor “fire pit ministry” to reach a new demographic
- A blessing box of books, toys, or canned goods
- A community meal or food bank for those who deal with food insecurity
- A respite time for families / caregivers with foster children, children with disabilities, or adults with dementia
- Obtaining equipment for a pickle ball league in your parking lot

Some not-so-good examples that are worthwhile but not focused on new relationships:

- Upgrading your congregation’s sound system
- Purchasing a new church sign
- Buying materials to fix up your church nursery or kitchen for congregational activities

Contact Barry Frey at [becjf51@gmail.com](mailto:becjf51@gmail.com) with any questions or to submit a proposal.
