Strength in Unity, Peace through Justice

## Uniting Communities for Public Education Excellence

The North Carolina Council of Churches Public Education Committee announces a program for dialogue and coalition building with Dr. David Campt, Principal consultant at the Dialogue Company.

These sessions will be based on a combination of education and interpersonal dialogue around classism and racism, scarcity of resources, and the struggle for racial equity in the face of the school privatization movement.

**Saturday, February 15, 2020, 3-5 p.m.**
