Preparing to Regather | Resources for Congregations

With many states in the process of reopening, ministry leaders must make critical decisions about future worship and in-person gatherings at our physical locations. These decisions require much prayerful and practical discernment in a constantly evolving environment. We are building the bridge as we walk on it and we need each other more than ever.

In May, the BCM hosted a regathering workshop providing the latest information and practical guidance from church and government authorities, and shared resources useful as we build our own bridge to the church of the future.

Our festival will resume its normal format next year at St. Phillips Moravian Church.

More info to come!**Introducing | *The Moravian Experience: A Spiritual Journey for Right Now***

Our lives have been transformed during this global pandemic. There is no road map for our journey as we adapt and discern new ways forward together in these uncertain times. But we do have some tools at our disposal, which are steeped in our Moravian heritage. Our early Moravian brothers and sisters found opportunity in challenge. These bold followers of Jesus blazed forward as they grew in relationship with Christ, expressed spirituality in community, and sacrificed nearly everything for their mission.

Likewise, our current challenge provides modern-day Moravians opportunities to share faith, love, and hope with the world in new and different ways.

Amid an overwhelming amount of online content, this collection of resources provides inspiration and challenge for our journey *as Moravian Christians*. We hope these resources will guide you on your inward journey to deepen your relationship with Christ as well as our outward journey to live with each other like Christ – being relational and loving as we reach out to the world.

The Resource Center | Modified Curriculum Sales

Our new curriculum ordering system will be released by the end of June. We will communicate changes to the system through our weekly e-news, social media, and communication to our current customers.

Contact Beth Hayes at bhayes@mcsp.org with any questions.

BCM Service Continuation | Stages of Reopening

The BCM staff has been working from home with intermittent office visits since mid-March and will continue to operate this way through the month of May. Our reopening plan will comply with minimum provincial, federal, state, and local recommendations and restrictions, and may, in some instances, be more restrictive. Our goal is to protect the health of BCM staff, volunteers, visitors, and customers while continuing to provide essential services. Starting Monday, June 1, 2020 we will enter into Stage 1 of our reopening plan with limited in office hours and no visitors. We will re-evaluate our plan every week as external conditions shift and will communicate our plan using posted signage, our website, social media, and email.

PEC News for June

Using video conferencing, the PEC held regular meetings May 14 and 28 with all members participating, except for Jeff Coppage on May 14. These meetings included joining the “Pastor to Pastor” video conference meetings occurring on Thursday afternoons.

SYNOD / STRATEGIC DIRECTION

PEC received an update from the Provincial Organization Core Team (Resolutions 17 and 18), including delays in their work due to the COVID-19 pandemic, and made plans to meet with the Team on June 9; received a report from the Resolution 14 Response Team; and received a report from the first meeting of the Synod Implementation Team on May 26, which will be forming the Synod Planning Team in the next two months. PEC noted the departure of two members of the Moravian Team for Reconciliation (Resolution 19) and discussed that Team’s charge from Synod and ongoing work.

CHURCHES AND LEADERS

The PEC continued steps in call processes for: Bethania, Fairview, Little Church on the Lane, and Rural Hall; decided a Provincial Share allocation question for one congregation; approved a group of congregations with which to conduct quadrennial reviews this fall; and received a letter from a congregation requesting PEC to consider creating a new “affiliated” membership category. PEC approved a revised description for Pastoral Internships for approved candidates for ordination; and received a report from the Commission on Ministry, which recommended approval of one person as a candidate for ordination, and will be meeting with three other prospective candidates in the next few months. PEC received an inquiry about possible financial assistance for PhD studies by a pastor.

BOARDS, COMMITTEES AND COMMISSIONS

PEC discussed plans to participate in a May 20 webinar on “reopening” hosted by the Board of Cooperative Ministries. PEC reviewed the status of the Provincial Finance Office: finding an Accounts Receivable and Payroll Manager; and noted the departure of Paula Midkiff, HR Director at the end of the month. Midkiff will be available on a part-time basis for a transition period this summer. PEC was updated about a May meeting of the Board of Trustees of Salem Academy and College.

INTERPROVINCIAL, UNITY and ECUMENICAL

PEC was briefed about a May 19 meeting of the Unity Executive Committee which decided to postpone the planned September Unity Board meeting into 2021. PEC agreed to form a “federated ministry” partnership with the NC Synod of the ELCA in the development of a worshipping community known as The Dwelling, in downtown Winston-Salem.

OTHER MATTERS

PEC prepared a short video message to our congregations, finalized a memo about worship and other large group gatherings, and discussed the status of provincial finances in light of the COVID-19 pandemic.

The PEC meets June 11 and 25.

Continuing Education

For many pastors, the COVID-19 pandemic has slowed down our involvement in Continuing Education events. As many events have shifted online, been rescheduled or even canceled, we wanted to remind everyone that funds are available through the Bishop W. Herbert Spaugh grant. Each year we allocate up to \$15,000 in grant money for pastors to use for their continuing education needs. To date, only half of those funds have been allocated in 2020. If you are interested in learning more about this grant or would like a Spaugh Grant Application, please contact me in the PEC office by phone or through email (dmarcus@mcsp.org).
