

Resolution

Subject: Diversity and Representation in Leadership
From: Mission and Vision Committee

WHEREAS, the geographical diversity of our Province is often not reflected in the leadership of Provincial boards, agencies, or the Provincial Elders' Conference; and

WHEREAS, the Florida/Georgia District has often been left out of leadership, participation and discussions due to the cost of travel; yet, technology exists and now is in common use that eliminates travel barriers; therefore be it

RESOLVED, that as part of the reimagining of the Southern Province—its congregations, boards and agencies—the Provincial Elders' Conference be authorized to develop and implement ways to increase geographical representation of its members in positions of provincial leadership; for example, having one seat of the Provincial Elders' Conference be a representative from the Florida Georgia District.
